~~Permissions~~

Manager

Can change anything But  
can not delete customers of  
jobs.

Cad. Team.

Can upload and download  
Files and communicate with  
clients

Can not do or see anything  
else.

Sales Rep.

~~Sales Rep.~~

Same as manager.

Clerk.

Moving jobs internally only.

Can not change price.

Can due dates

~~Can~~

Can not change price

Can not delete job Blt Sh.

Can Re assign jobs.

New Registration

did not get all of the info  
as customer did not get confirmation email/  
~~The email~~

I don't know ~~to~~ if it is a company registration  
or an individual.

Can not log in as customer from the  
back end.

transmit. Job envelope Pot did not

Estimated prices.

Made ~~it~~ Approved did not make it  
live?

Why do I have to set client.

Dispositions have ~~nots~~ not been charge  
to automatic add the 8 From tier

Client is wrong.

Jobs are no offering in client.

Error is jobs From client.
