Please review the prepared business proposal below. Thank you for considering working with us.

Scope of Work

The role of Devise Designs, LLC is to provide three functional prototypes that embody the three concepts developed in Phase I.

Deliverables:
-Three functional prototypes of "concepts A, B, and C" as described in the Phase I concept sketches.
   -Prototypes shall illuminate as intended and be wearable.
   -The prototypes will be single earings, not a "pair" of earings.
   -Parts and materials are not required to be "production quality".
   -Prototypes shall embody the client's aesthetic design intent for each concept.

-Design review correspondences and meetings throughout the process.
-Design report documenting prototypes and observations through the process.

Terms & Conditions

All work will be conducted under mutual non-disclosure and all IP produced will belong to the By Candide, LLC. The prototypes shall be **delievered to the client within 4 weeks after receipt of deposit.** Cost of materials and shipping shall be covered by Devise Designs. Any major revisions to the design by request of the client that expand the scope of work may incur additional costs.

Financial Terms

Devise Designs, LLC proposes to do the work specified above for a fixed cost of **$3,000.00**. A 50% deposit is required to initiate the project. The remaining balance will be invoiced upon completion of deliverables.
